Headteacher: Mrs Sarah Chappell

Welcome to this week's Snippets. We hope you had a lovely weekend and that all you Mums got spoilt yesterday!

Polite request

We have a number of people using the staff car park as pedestrian access to the office. Can we ask that for the safety of all that you use the pedestrian access / gate.

Also, cars are being parked directly opposite the staff car park at drop off times. This is making vehicular access to the car park difficult, and is causing a hazard to pedestrians crossing the road. Please park cars further down the road, remembering to leave driveways clear.

Easter Events

The school council have met and have planned a number of activities for Easter.

Easter Competition – As we do annually, children can make Easter decorations; a bonnet, Easter card, decorated egg, Easter spring garden, baking... anything Easter themed! These can be brought to school first thing on Fri 22nd March to the Hall. The school council will judge the entries and there will be a prize for each year group. Please ensure your child's name and class is on their entry – Good luck!

Other activities – Guess the number of eggs in the jar, Guess the name of the giant chicken, Easter Raffle (prize – an Easter goodie bag). These games are £1 a go. Money can be brought in from Monday 18th March. We hope lots of children will take part!

Just for fun, we will be having a hop-a-thon at playtime and there may even be a visit from the Easter Bunny.

Finally, Friday 22nd will be a non-uniform day in exchange for £1. With the proceeds, Mrs Taylor and Mrs Whitmarsh will buy Easter eggs to give to children at Martin House – a charity that provides hospice care for children with life limiting and life-threatening illnesses.
