### FAN Club AGM

Sadly, due to the low numbers attending the FAN Club AGM on Wednesday we were unable to elect a new committee. Therefore, unfortunately we currently have no FAN Club.

Please can we remind parents and carers that scooters and bikes etc. must not be ridden on the school grounds. This is for the safety of all.

## Sports News

### Cross Country

Last week was the Selby Cluster round of the Cross Country. We took 23 children to Selby College to race against their peers from other local schools. All the children tried their very best and we have **11** children who have qualified for the next stage. We will provide further details about this to the parents of those children as soon as we have them. Well done to all.

We even got the chance to use our new team bench seat!

### Football

We have a new Hemingbrough Primary Football squad that kicked off the season this week with a tournament at Riccall Primary School.

We have several fixtures arranged for this half term, most of which will be played here at Hemingbrough.

Thank you to the parents who transported children to the event – without your support we would not be able to take part.

### After school clubs

We need to politely ask again that if your child is going to be unable to attend a club, an adult needs to let the office know at the earliest opportunity.

We call parents to locate any children who have not attended, to ensure their safety, and this is taking a lot of our time.

Thank you
